# Original Toddy® Iced Tea

## Ingredients

10 cups of cold water  
2 cups Toddy cold-brewed tea concentrate (use your favorite tea leaves)  
cream and sugar (optional)  
mint leaves (optional)

---

## Preparation

Mix water and Toddy tea concentrate, and stir. Serve in tall glass over ice. Add cream and sugar to taste. Garnish with mint leaves.

*Makes 12 serving.*

## NOTES

*Use good water. Tea is 98-99% water. Fresh cold water contains more oxygen and this will lead to a fresher-tasting cup of tea. If your tap water tastes OK, then use it, but generally speaking, it's better to use either filtered or bottled water. Don't use distilled water, though - the absence of minerals in it will leave your tea tasting flat.*

# Toddy® Tiramisu Eggnog Trifle

## Ingredients

1 1/3 cups plus 2 tablespoons sugar  
1 1/4 cups water  
1/4 cup plus 1 teaspoon dark rum  
4 tablespoons brandy  
12 large egg yolks  
1/2 teaspoon ground nutmeg  
4 (8 ounces) containers mascarpone cheese  
2 cups chilled whipping cream  
2 teaspoons vanilla extract  
3 ounces Toddy cold-brewed concentrate (use dark roast coffee beans)  
7 tablespoons Kahlúa  
4 (3.5 ounces) boxes Champagne biscuits or Boudoirs (about 60 crisp ladyfinger cookies)  
1 cup semisweet chocolate chips, finely ground in processor

---

## Preparation

Whisk 1 1/3 cups sugar, 1/4 cup water, 1/4 cup rum, 3 tablespoons brandy, yolks, and nutmeg in metal bowl. Set bowl over saucepan of simmering water (do not allow bottom of bowl to touch water). Whisk constantly until mixture thickens and candy thermometer inserted into mixture registers 140 F for 3 minutes, about 5 minutes total. Remove bowl from over water. Whisk mascarpone, 1 container at a time, into warm custard until blended.

Using electric mixer, beat whipping cream, vanilla, 1 tablespoon brandy, and 1 teaspoon rum in large bowl until cream holds peaks. Fold in mascarpone mixture. Bring 1 cup water to simmer in small saucepan. Remove from heat. Add 2 tablespoons sugar and Toddy coffee concentrate, stir to dissolve. Mix in liqueur. Submerge 1 biscuit in coffee mixture, turning to coat twice; shake excess liquid back into pan. Place dipped biscuit, sugared side facing out, around bottom side of 14 cup trifle dish, pressing against side of dish (biscuit may break). Repeat with enough biscuits to go around bottom sides of dish once. Dip more biscuits and arrange over bottom of dish to cover.

Spoon 2 cups mascarpone mixture over biscuits; spread to cover. Sprinkle 1/4 cup ground chocolate over, making chocolate visible at sides of dish. Repeat with more biscuits dipped into espresso mixture, mascarpone mixture, and ground chocolate in 2 more layers each. Cover with 1 more layer of dipped biscuits and enough mascarpone mixture to reach top of trifle dish. Sprinkle remaining ground chocolate over, covering completely. Cover and chill overnight.

# Toddy® Spicy Gingerbread

## Ingredients

2 3/4 cups all-purpose flour  
1 1/2 teaspoons freshly ground black pepper  
1 teaspoon ground ginger  
1/2 teaspoon baking soda  
1/2 teaspoon salt  
1/2 teaspoon ground cinnamon  
1/4 teaspoon ground cloves  
1/4 teaspoon freshly grated nutmeg  
1/2 cup unsulfured molasses  
3 tablespoons Toddy cold-brewed coffee concentrate  
1 stick (1/2 cup) unsalted butter, softened  
1/2 cup packed dark brown sugar  
1 tablespoon finely grated peeled fresh gingerroot

## Preparation

Sift flour, pepper, ground ginger, baking soda, salt, cinnamon, cloves and nutmeg in bowl. In a second small bowl, stir together molasses and Toddy coffee concentrate. In a third large bowl, beat together butter and brown sugar until light and creamy. Mix in gingerroot. Beat in flour mixture alternately with molasses mixture, beginning and ending with flour mixture. Divide dough into thirds. Form each third into a ball and flatten to form pancakes. Chill disks, wrapped separately in plastic wrap, at least 4 hours.

Preheat oven to 350 F and line 2 large baking sheets with parchment paper. Break off egg-size pieces from 1 pancake (keep remaining 2 pancake chilled) and with heel of hand smear each piece once in a forward motion. Gather pieces together and give dough a few smears to bring together. Repeat procedure with remaining 2 pancakes.

On a lightly floured work surface roll out one third of dough into a 22x8 inch rectangle (about 1/8 inch thick), making sure dough is not sticking to surface (use a pastry scraper to lift dough; sprinkle surface with additional flour if sticking). With a 2 inch gingerbread man cutter or 3 1/2 inch candy cane cutter cut out shapes, transferring with a spatula to baking sheets and arranging about 1/2 inch apart.

Bake cookies in batches in lower third of oven 6-8 minutes, or until crisp (do not let cookies get too dark). With spatula transfer cookies to racks to cool. Make more cookies with scraps and remaining two thirds of dough in same manner.

# Toddy® Iced Cappuccino Cream Cake

## Ingredients

### **Crust:**

1 cup chocolate wafer crumbs  
1/4 cup blanched almonds, toasted lightly, ground fine  
1/2 stick (1/4 cup) unsalted butter, melted and cooled  
1/4 cup sugar  
1 1/4 cups Toddy cold-brewed coffee concentrate  
1 envelope unflavored gelatin  
4 large eggs, separated whites at room temperature  
3/4 cup plus 1 teaspoon sugar  
1/4 cup heavy cream  
1 teaspoon vanilla  
1/2 teaspoon ground cinnamon

### **Topping:**

1 cup heavy cream  
1 tablespoon kahlúa  
3 tablespoons sugar

---

## Preparation

**Crust:** In a bowl blend crumbs, almonds, butter, and sugar, the press mixture onto the bottom and about 1 inch up the side of an 8 1/2 inch springform pan, and bake the crust in the middle of a preheated 350 F. oven for 10-12 minutes, or until it is just set. Let the crust cool in the pan on a rack.

In a saucepan sprinkle gelatin over Toddy coffee concentrate, soften for 1 minute, and heat mixture over low heat, stirring, until the gelatin is dissolved. In a bowl beat yolks with 1/2 cup of sugar until the mixture is thick and pale, add half the coffee mixture in a stream, whisking, and whisk the mixture into the remaining coffee mixture. Cook mixture over moderate heat, whisking, until it is thickened and registers 175 F on a candy thermometer. Transfer the mixture to a metal bowl set in a larger bowl of ice and cold water, whisk in cream and vanilla, and let mixture cool, stirring frequently, until it is cool to touch and is the consistency of raw egg whites. Remove metal bowl from the larger bowl. In another bowl beat egg whites until they hold soft peaks, add 1/4 cup of the remaining sugar, 1 tablespoon at a time, beating, and beat meringue until it holds stiff peaks. Stir one fourth of meringue into coffee mixture and fold in the remaining meringue gently but thoroughly. Pour filling into crust. In a small bowl combine the remaining 1 teaspoon sugar and cinnamon, sprinkle mixture over filling, and chill filling for at least 6 hours.

**Topping:** (Make just before serving.) In chilled bowl with chilled beaters beat cream until it holds soft peaks, add kahlúa and sugar, beating the topping until it holds stiff peaks. Transfer topping to a pastry bag fitted with a decorative tip, pipe it decoratively over the coffee mixture, and sprinkle it with cinnamon. Chill cake for 2 hours. Run a thin knife around the edge of the pan, remove the side carefully, and transfer the cake to a serving plate.

# Short Ribs With Toddy® Coffee Chile Sauce

## Ingredients

4 dried ancho chilies, stemmed, seeded, and ribs discarded  
2 cups boiling-hot water  
1 medium onion, quartered  
3 garlic cloves, coarsely chopped  
2 tablespoons finely chopped canned chipotle chilies,  
plus 2 teaspoons adobo sauce  
2 tablespoons pure maple syrup  
1 tablespoon fresh lime juice  
3 teaspoons salt  
6 lbs. beef short ribs or flank  
1 teaspoon black pepper  
1 tablespoon olive oil  
1/3 cup Toddy cold-brewed coffee concentrate

---

## Preparation

Preheat oven to 350 F. Soak ancho chilies in boiling-hot water until softened, about 20 minutes, then drain in a colander set over a bowl. Transfer ancho chilies to a blender and purée with onion, garlic, chipotles with sauce, maple syrup, lime juice, and 1 teaspoon salt.

Pat ribs dry and sprinkle with pepper and remaining 2 teaspoons salt. Heat oil in a 12 inch heavy skillet over moderately high heat until hot but not smoking, then brown ribs in 3 batches, turning occasionally, about 5 minutes per batch. Transfer as browned to a roasting pan just large enough to hold ribs in 1 layer.

Carefully add chili purée to fat remaining in skillet (use caution, since it will splatter and steam) and cook over moderately low heat, stirring frequently, 5 minutes. Add reserved chili soaking liquid (or 1 1/2 cup of water), and Toddy coffee concentrate and bring to a boil, then pour over ribs (liquid should come about halfway up sides of meat).

Cover roasting pan tightly with foil and braise ribs in middle of oven until very tender, about 3 1/2 hours. Skim fat from pan juices and serve with ribs.
